

Accordion Card

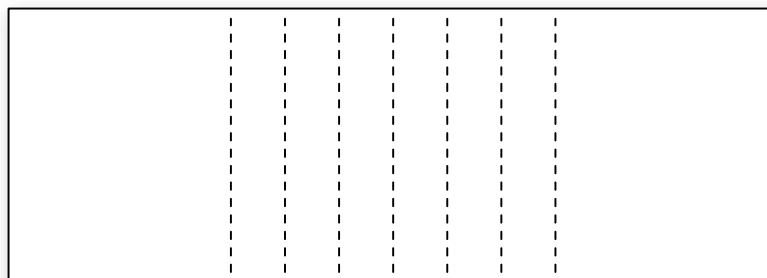

Figure A

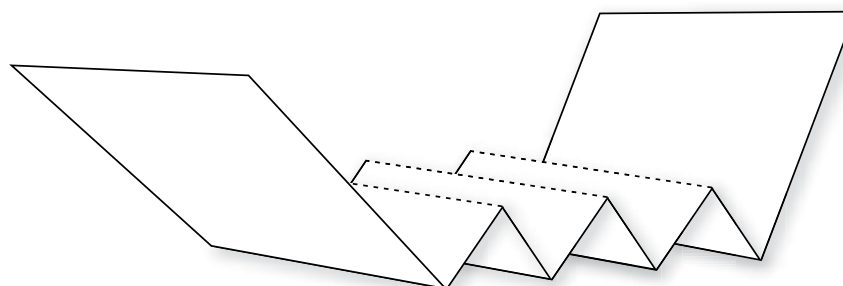

Figure B

1. Die-cut DC Accordion Card from cardstock or other paper (Figure A).
2. Accordion fold the Card as shown (Figure B).
 - The rectangles at either end of the Card serve as the front and back cover.
 - The Accordion Card can be used either vertically or horizontally.

12030 Accordion Card (DC)

- Die available with perforation or crease rule. • Crease rule dies require Premium Cutting Pad.
