

## Bag #1

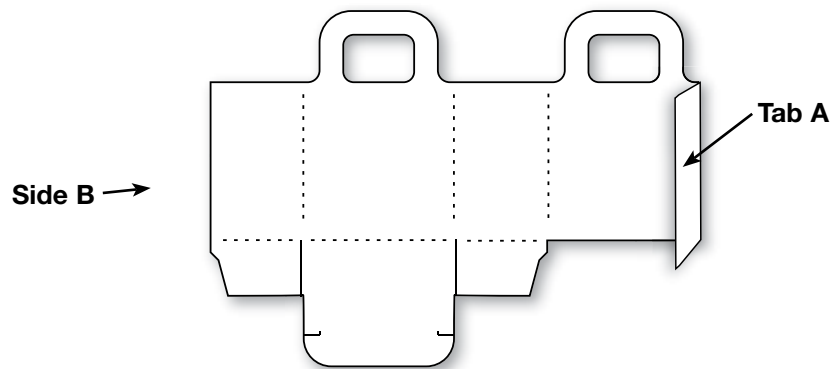

Figure A

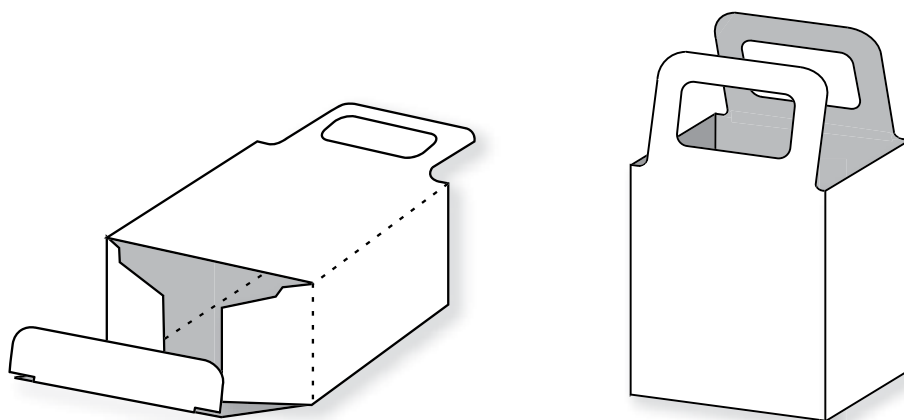

Figure B

Finished Bag

1. Die-cut Bag #1 from cardstock or other paper.
2. Decorate the Bag while it is still flat.
3. Fold on all perforated or crease lines (Figure A). Form Bag by joining Tab A with Side B. Adhere with glue or double-sided tape (Figure A).
4. Tuck in bottom flap (Figure B).

### 12152 Bag #1

• Die available with perforation or crease rule. • Crease rule dies require Premium Cutting Pad.
