

Card, Heart Fold-Up

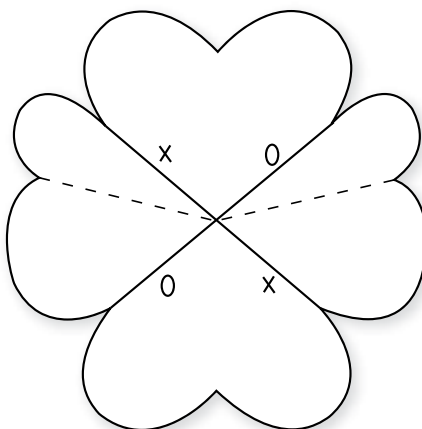

Figure A

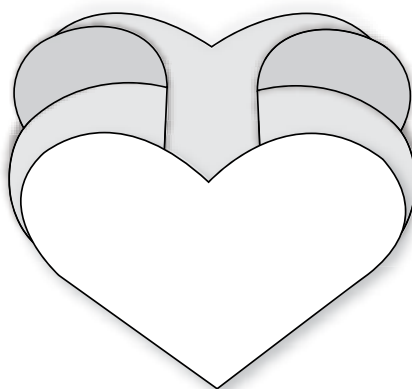

Figure B

1. Die-cut Heart Fold-Up Card from cardstock or other paper.
 2. Bend a mountain fold on the perforated or crease lines through the center of the Hearts and release the fold (Figure A).
 3. Bend valley folds on the lines between the Hearts (lines XX and OO) and release the folds (Figure A).
 4. Push the two folded Hearts towards the center and fold (Figure B).
- XL Card fits in A2 envelope. See Catalog or Ellison.com for complete listing.

12610 Card, Heart Fold-Up

- Die available with perforation or crease rule. • Crease rule dies require Premium Cutting Pad.
