

**REQUIREMENTS:**

- Machine with 10" or wider opening

## Card, Slotted (2 Die Design)

1. Die-cut XL Slotted Card, from contrasting colors of cardstock or other paper so both ties and parts 1 and 2 can be assembled (Figure A).
  2. Fold part 1 on the perforated or crease line. Insert part 2 and align rectangle slots (Figure B).
  3. Thread the thicker tie through the slots (Figure C).
  4. To complete the Card, thread the thinner tie through the slots on top of the thicker tie (Figure D).
- Fits in A6 envelope. See Catalog or Ellison.com for complete listing.

### 17503 Card, Slotted (2 Die Design) (XL) 13224 Envelope A6 (XL)

- Die available with perforation or crease rule. • Crease rule dies require Premium Cutting Pad.
